Minutes by Alison

18:30 Call to order

Jeremy to chair the meeting

1. Registration update as of Today for U9 & U11:

- U9 – 25 players registered
- U11 – 19 players registered

2. Team Formation & Ice Allocation

- We discussed keeping age groups together for U9 and U11 and will build teams based on registration numbers.
 - Two U9 teams
 - One U11 team
- We have enough ice time for each U9 team to have individual ice, which is not common practice at this age.
 - Should we offer each U9 team their own ice time? If we do, then each team will be required to host a tournament (two separate U9 tournaments).
 - Should we keep the age group together and have one ice time for both U9 teams?
 - We will step away and think about this individually, further discussion will be had via email later in the week.

3. Tournaments

- Will discuss once we confirm the ice allocation
