18:30 Call to order

Jeremy to chair the meeting

1. Registration Update as of Today:

- U7 – 9 players registered
- U9 – 23 players registered – two large teams
- U11 – 19 players registered – one large team
- U15 – 3 players registered – no team
- U13 – 10 players registered – very small team
- Pond: U12 – 5 players & U15 – 4 players registered

2. Team Formation & Ice Allocation

- U9 may have too many players for two teams
- U11 may have too many for one team but not enough for two teams
- We have enough ice time for 2 U9 teams (shared ice) and 2 U11 teams (individual ice)
- Should we offer 5 second year U9 to move up to create two U9 teams and two U11 teams? We will step away and think about this individually and reconvene next week to discuss.
- We may not have enough registered players to have a U13 team.
 - Possible solutions:
 1. Two overage players have expressed interest. We won't know if approved by Hockey Canada until August 15
 2. U11 affiliates
 - At this point in time, we will move forward with a small U13 team. Jeremy to reach out to Canmore Minor Hockey to let them know our situation.

COMMUNICATION:

An update to U13 families to say we are going to move ahead with a small U13 team and need families to understand the required commitment.

3. Tournaments

- Will discuss once we confirm the team formation

4. Vacant Board position recruitment
